

OVERVIEW: This document provides the essential information for the Ethic Code of Conduct within the facility. The code of conduct is essentially the rules guide in the facility and the behaviour and respect we expect of personnel in the site. You will need to read this document as well as the CODEX document before you can become clearance level 0.

Global Code of Conduct

- I. Sending malicious links or NSFW content will not be tolerated.
- II. DOXXing, or revealing someone's personal information, will result in a permanent ban from the foundation, affiliated groups, discords, and from the game. In inclusion, we will ask our partners to also do the same action. We take the safety of individuals personal lives seriously and we will not tolerate this at all.
- III. Racism, sexism, homophobia, and hate speech will not be tolerated.
- IV. Use of racial, ethnic, or religious slurs will not be tolerated.
- V. Spamming will result in mute.
- VI. Advertising in the discord will result in a mute.
- VII. Members are to act respectful to each other. We are relaxed with banter, however, take care to not go too far.
- VIII. Attempting to bypass rules will not be tolerated; punishment depends on bypassed rule severity and how often you do it.
- IX. If any high-position personnel, being security clearance 3 and above, tells you to stop saying or doing something that is related to any rule, stop.
- X. Abide by Roblox's terms of service and Discord's terms of service when being apart of this community. These are the two platforms we are based on, and it is important you follow these two terms of services when participating in the group.

Discord Server Code of Conduct

- I. Leaving and re-joining VCs repeatedly within a short period of time can warrant punishment.
- II. Microphone spam (loud audio or music) will not be tolerated. Playing audios through bots also counts for any rules mentioned thus far and onward.
- III. Voice-changers are not tolerated and will result in voice mutes.

Game Code of Conduct

- I. Exploiting within the game will not be tolerated, and if caught, will result in a temporary ban, then a permanent ban for further exploitation.
- II. Abusing your clearance level in-game will not be tolerated, it can include many rules. Read over your department regulations and rules, and any additional conduct rules.
- III. If you find any bugs or issues, let us know! Any exploitation of these bugs can result in differing of severity punishment.
